

PRACTICE NEWS

Welcome to our new team members!

Congratulations to Charlene

We celebrated Charlene's **10 year anniversary** with Fells Point Dental this past week. Charlene is the first hygienist Dr. Andersen hired after she started the practice in 2012 and we love working with her. She is passionate about hygiene and teaching. When she is not shining up someone's smile, she is teaching all of her new team members the tips and tricks she's learned over the past decade!

Thank you Charlene for your endless support and inspiring dedication to dentistry!

The wait is over for your next cleaning!

Fells Point Dental is excited to welcome our new full-time hygienist, Catherine and three part time hygienists, Susu, Joe (not pictured), and Mandi (not pictured). All four are so excited to be a part of the team and eager to help us take care of all of your dental hygiene needs. Give us a call if you have been struggling to find cleaning appointments, new patient appointments or are waiting to be scheduled for your next check-up!
