United Concordia Update

Back In-Network January 1, 2024

The team is so excited to announce that we have officially gone back in-network with United Concordia. Thank you so much for your continued support and patience over the past 9 months. All of your phone calls were instrumental in our successful negotiations!

Starting January 1st, United Concordia PPO plans will cover cleanings at 100% again.*

The office will also be open the second Saturday of every month from 8-12, for your convenience. Our hygienists are working hard and are already booking into June. We do have a call list, so if we don't have your ideal appointment, please ask to be put on it.

* Most PPO plans cover 100% of preventative and diagnostic services with in-network providers, but there may be exceptions based on your plan. Individual plan benefits are determined by United Concordia. If you have any questions about this change or your individual benefits, please call our office at 410-970-0440 and ask for Samantha or Linda.
