Insurance Update: In-Network with GEHA

Exciting news! As of June 1, 2024, we are considered an in-network provider with GEHA. We have been in negotiations with GEHA over the past few months and have agreed to a fee schedule that is sustainable for our practice. GEHA operates as a third-party or "umbrella" company so this change extends our in-network status to several other insurance companies.

Major insurance companies that will be in network through an extension agreement include:

- CIGNA
- Lincoln Financial Group
- Careington
- Humana
- Level
- and others lesser known plans

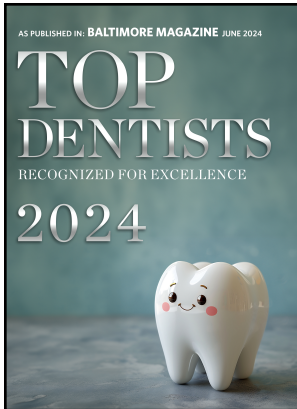

The contracts are plan specific, so our office will need to verify your plan to determine our network participation. If you have any questions, please call our office at 410-970-0440 or reach out to your insurance company directly.

In-Network Extensions

- ◆ Humana
- ◆ Ameritas
- ◆ Cigna
- ◆ Dental Network of America
- ◆ Dentimax
- ◆ Dominion
- ◆ Level
- ◆ Lincoln Financial Group
- ◆ Sunlife
- ◆ UMR
- ◆ Altus Dental
- ◆ Careington
- ◆ Paramount Dental
- ◆ Renaissance Dental
- ◆ And additional lesser known insurance companies. Please call us at 410-970-0440, if you have questions about your plan!

Practice Updates and News!

Dr. Andersen was recognized for her excellence as a general dentist by Baltimore Magazine in their June edition for the second year in a row! The magazine utilizes a poll of licensed dentists to determine their nominations.

The newest technology to the practice now includes the Form 4B 3d printer that can make same day night guards, flippers, retainers and temporary teeth! We love partnering with Formlabs!

Dr. Grooms is starting her 5th year of serving the FPD community! During this time she has completed an extensive implant course with Implant Seminars, and joined the Terrapin's Study Club. We love that she is consistently committed to providing the best dental care to her patients with an abundance of kindness.
